# ANDES HELIBOARDING

...The pioneer of the Heliski/boarding Activity in Chile ...  
...will take you to an endless world of mountains and  
pristine untouched terrain

Jean-Alexandre Echène, more well-known under «Beb», is the Pioneer of this Activity and the Founder of the First Heliski Company in Chile.

Andes Heliboarding and his team of guides are revealing their experience and professionalism by offering the best runs and first class service to the enthusiasts for Heliski, Nature and big thrills.

BY JOINING THEIR SKILLS AND THEIR LOVE FOR THE MOUNTAINS, THE FUSION OF ALL THE TEAM MADE ANDES HELIBOARDING SUCCESFULL AND TURNED THE COMPANY INTO THE LEADER OF THE HELISKI INDUSTRY IN CHILE.

Since then, they explored the full potential of the Andes and offers today a Unique Heliski Service from the Central Cordillera to the Patagonian Mountain Range and volcanoes.

## YOUR PLAYGROUND

The central area of the Andes cordillera is characterized by exceptional snowfall conditions and ground profile for this activity. Because of its continental climate, the Andes receive in winter a unique snowfall assuring a fresh and dry snow.

The number of descents achieved per day depends of the skiers level and the physical condition

**Our season in the Chilean Central Andes Mountain range is from July to September, just by Santiago.**

# OUR CONCEPT

Specialist of the heliski exception, with only small groups of a maximum of 8 skiers / snowboarders per helicopter.

Discover a unique place of the heliski world.

## OUR PHILOSOPHY ...

- PRIVATE HELISKI WITH NO LIMITS
- EXCELLENCE OF CUSTOM MADE SERVICES
- CONSCIENTIOUS AND INDIVIDUAL ATTENTION

*ALL THE VALLEYS OFFERS DROPS AT AN ALTITUDE FLUCTUATING FROM 3800 TO 4500 METERS AND AN EXCEPTIONAL 1500 METERS VERTICAL DROPS, OR AS HIGH AS 2400 METERS ACCORDING TO SNOW CONDITIONS.*

## *THE VIK WINERY*

The VIK winery features a unique and unprecedented design, which is at once state-of-the-art, highly sustainable, technologically creative and a stunning visual experience that promises to redefine the wine experience.

All Vik Retreats are oeuvres in their own right. Visions of owners, the properties are products of purposeful discourses in art and design and what roles nature and form play in the poetics of human space. Every wall, every window is an intentional expression of what can be imagined and etched.

After a full Heliski day, you will have the chance to enjoy a wine tasting. Guests will walk upstairs to the glass pavilion to enjoy VIK with culinary indulgences among exceptional design and sculptures by Marcela Correa while viewing the VIK vineyard and winery set in the surrounding majestic nature.

## HELISKI & WILDLIFE IN FUTANGUE

MONTH OF NOVEMBER

Futangue, which in native language means „big canyon“ is a place for all kinds of outdoor experiences: trekking, wildlife observation, mountain biking, horseback riding, kayaking, ATV excursions, snowshoeing, camping by hot springs, visiting local villages, and world-class fly fishing, are some of the adventures you can find here, while you stay in our lovely and well equipped country house with very comfortable rooms with private bath, friendly staff and delicious local food.

# YOUR SAFETY

Safety is first and foremost to our Heliski/boarding operation. Our specialists skiing and snowboarding guides have the skills and abilities to provide you with an exciting, safe and unforgettable trip to the Andes Cordillera. Gaining extensive knowledge of the vast terrain that we cover, the guide is able to select the right terrain for your ability.

Our safety infrastructure provides you with an unsurpassed level of safety and service. Guides are well trained in avalanche hazard evaluation and control, route selection, weather analysis, emergency first aid, mountain survival, rescue and ski instruction techniques. Radio repeaters give us voice communication throughout the Heliski area. Snowpack and weather are analysed daily and forecasts made accordingly, with slope assessment conducted prior to skiing.

## HELICOPTER & PILOT

Andes Heliboarding uses the following helicopters – Ecureuil AS 350 B3 and Bell 407. Each helicopter counts with a GPS, Satellite phone, VHF or UHF radio and is in permanent communication with the base and the pilot. First aid, oxygen and rescue equipment are always on board.

All of our pilots are highly experienced in high mountain flying conditions and were all trained by the Chilean Air Force. They have thousands of hours of flight experience.

## GUIDE CERTIFICATION

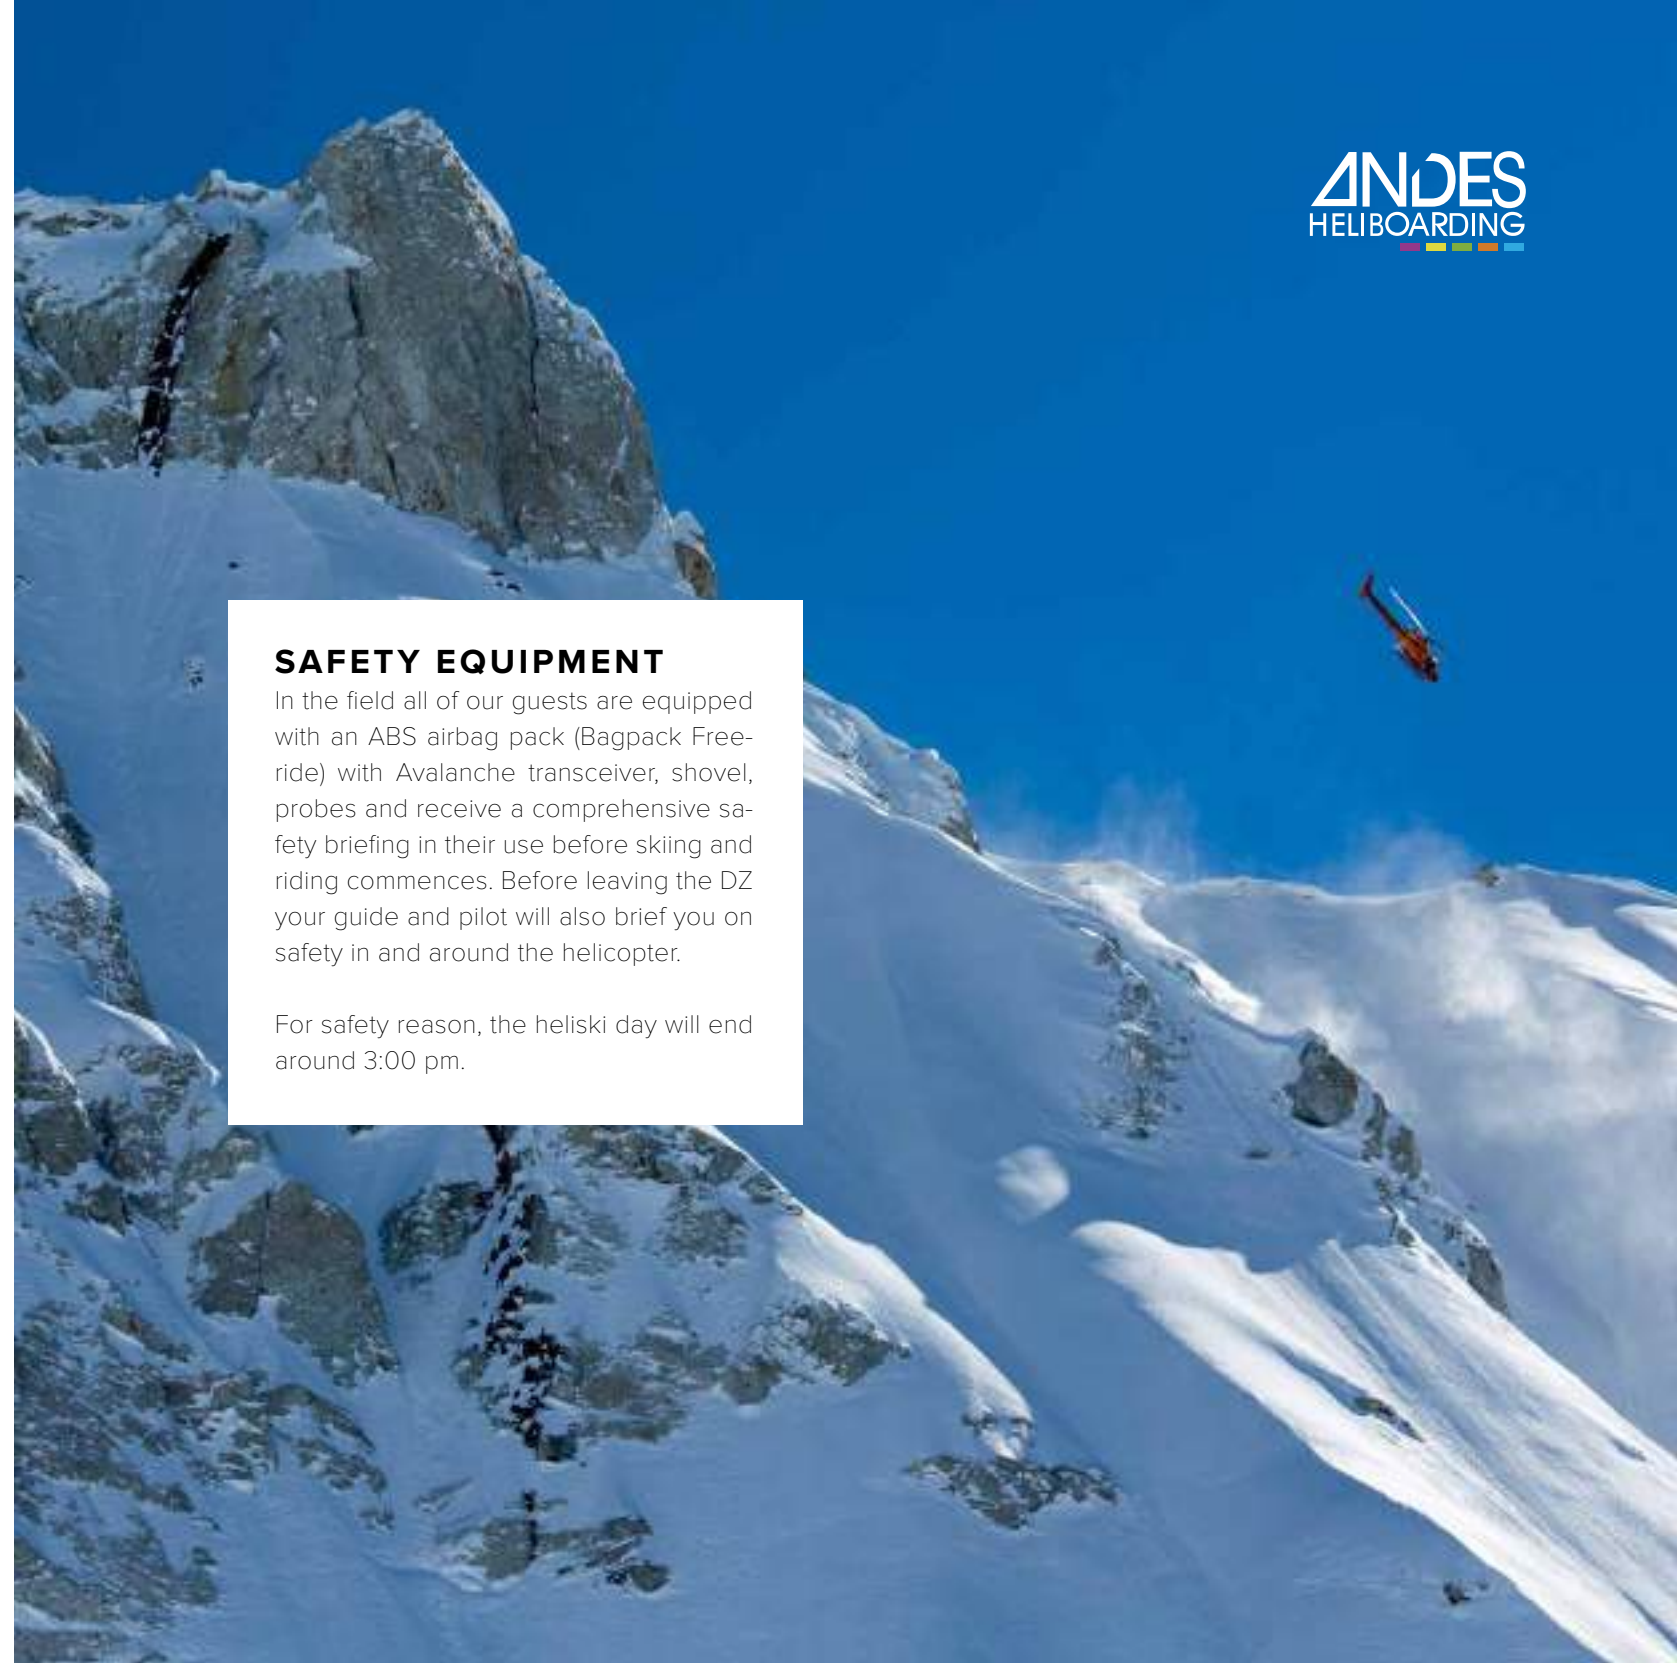

Over twenty year of operation has honed the skills of our professional and dedicated team. They are certified and qualified professional UIAGM and formed by E.N.S.A (National School of Ski and Alpinism) Chamonix, France.

They are chosen for their ability to provide you with an exciting and memorable Heliski/boarding experience. In addition to their technical qualifications, they have strong interpersonal and communication skills and a genuine love of the sport of skiing. Languages spoken by our guides include English, French, Spanish, Russian and Portuguese.

## SAFETY EQUIPMENT

In the field all of our guests are equipped with an ABS airbag pack (Bagpack Free-ride) with Avalanche transceiver, shovel, probes and receive a comprehensive safety briefing in their use before skiing and riding commences. Before leaving the DZ your guide and pilot will also brief you on safety in and around the helicopter.

For safety reason, the heliski day will end around 3:00 pm.
